Application questions for 1/10/2016 sermon

Hebrews 1:4-14

## **The Son is Superior to the Angels Because He is God**

(This week, there is no one question I want to make sure everyone answers. So try to make sure everyone responds to at least one of the questions.)

Did you learn anything about Jesus that you didn't know before?

(The main points from the sermon are listed below, if you need to jog your memory.)

If you didn't learn anything new, did the sermon have an impact on you? Why?

### Main points from the sermon:

Jesus is the special Son of God-the-Father

Jesus is to be worshipped by the angels of God

Angels are controlled by God, whereas the Son is God

The Son is God, the eternal King

The Son is the Lord of all creation

The Son eternal, all-powerful, unchanging

The Son is the King, whereas the angels are servants

These things being true of the Son, what does it mean for how should we relate to Him?

For example, in trusting Him, listening to Him, obeying Him, worshipping Him, being in awe of Him.

Does hearing this sermon change how you think you need to relate to Him in some way?
