Text sermon questions, during the sermon, to (602) 824-8030

8:1-2 Our high priest has taken His seat at the right hand of the throne of Majesty in the heavens, the true tabernacle.

Jesus has the authority and access to facilitate relationship with God, so that we can enter God's presence, where Jesus already is, in heaven.

8:3 Our high priest, Jesus, offered Himself on a cross.

His offering is good for all time, for all people who would come to God through Jesus.

8:4 If Jesus was still on earth, He would not be a priest at all, because He would not keep making offerings daily.

His sacrificial ministry is perfectly finished.

8:5 The Levitical priests and the tabernacle they served in were a copy and a shadow of the heavenly.

They pointed forward to Jesus and His heavenly ministry.

(ref.: Exodus 25:40)

The lives of us Christians should point to heavenly reality.

8:6 Our high priest, Jesus, is the mediator of a better covenant.

Jesus will permanently forgive your sins, which removes the conflict between you and God, so you can have relationship with God forever.

Application questions for 5/22/2016 sermon
Hebrews 8:1-6
Jesus is Our Heavenly High Priest

Why is it significant to you that Jesus is in heaven?

Do you believe that the way you live your life points to heavenly realities - that there is a heaven, that you believe you are going there, that you serve a God in heaven? How does your life reflect that and/or how does it not reflect that?

If it is meaningful to you in any way, why is it meaningful to you that God prepared for Jesus to come over thousands of years of history, with foreshadows and prophecies in the Old Testament?
