

Sermon Notes

Privileges & Purposes of Being a Christian

1 Peter 2:4-10

Christian Sanich, 10/15/2017

2:4-5 God has purpose for us Christians coming together, and ministering to one another. You all should be being built up.

God wants us to come together as His people, to draw near to Him.

Christ's church is to be an ever-growing building.

- People being added
- Each individual growing in spiritual maturity

Do you view being together with other Christians, as critically important to your spiritual growth?

Do you have multiple ways that you gather with, and interact with, other Christians during the week, to help one another grow?

The church is built up by each of us serving the church.

Do you see serving in the church, as an important purpose God has for your life?

Do you understand that you serving is needed by the church?

Are you serving Christ's church?

2:6-8 The honor is for you all who believe (trust) in Christ.

Those who disbelieve, stumble over Jesus because they are disobedient to the word.

2:9-10 Privileges of being God's people, and another purpose, which is proclaiming His excellencies.

Do you feel incredibly privileged for all you have in Christ?

Do you proudly proclaim Christ to those who need what you have?

What is your response to this? Discuss it with someone today.
