How the Dead Are Raised and the Kind of Body Resurrected People Will Have

1 Corinthians 15:35-49

by Christian Sanich, 12/13/2020

There may be Q&A at the end as time allows. So note your questions.

15:35-38 Something going in the ground lifeless, and coming out of the ground transformed is not unprecedented in God's creation.

God gives it a body just as He wanted.

15:39-41 God has created bodies that are different from bodies, both on earth and in the heavenlies. And bodies in the heavenlies are different from the ones on earth, by their glory.

So why would anyone, who believes in this creative God, doubt that God can make different resurrection bodies for us than the earthly bodies that we've had? And why would anyone doubt that God can make resurrection bodies for us that are more magnificent than the earthly bodies we've had?

15:42-44 Our bodies are going to be transformed into magnificent, spiritual bodies, in the resurrection of the dead.

15:45-49 Our bodies will be made fit for heavenly life by the man from heaven, Christ.
